

Dress Code:

G Girls- Tops

- Strapless, spaghetti strap and or halter top shirts/dresses are not allowed. Tank top straps need to be 2 finger widths wide.
 - Bras: bra straps, Sports Bra and bralettes should be covered at all times. They should not be purposely shown. NO ONE SHOULD SEE YOUR BRA.
 - If your shirt is slightly see through, made of very thin fabric or low cut, please wear a tank top underneath to keep your bra from being seen or just don't pack this shirt.
 - Midriff should not be exposed. We realize crop tops and high waisted pants are in style but with all the movement done during JG the risk of midriff exposure is too high so no crop tops.
- Also make sure to bring at least one cami or undershirt tank top for participating in the drama.

Girls- Bottoms

- Leggings can be worn for dance and drama practice but they must be worn with a loose fitting shirt that covers your behind.
- Shorts can not be above fingertip length. Also make sure that if you are wearing athletic shorts that they are not too revealing when you move around. Because during dance and drama you will be bending over and crouching down. Keep these things in mind when packing.

Boys- Tops

- No muscle tank tops or cut out shirts
- You must wear your shirt at all times except beach day. Make sure to have a shirt and shorts with you for sleeping because we do not always know what our sleeping arrangement will be for the outreach week and you might be in a host home or on a church floor.

Boys- Bottoms

- Shorts must be fingertip length.
- We should not see your underwear for any reason. Either at the bottom or the top of your pants/ shorts. Keep in mind that for dance and drama you will be bending and crouching and we do not want to see anything we should not.

Hands Raised Up High then touch your toes if anything shows. DO NOT BRING IT TO JG.
